#### (A) Restricted Waste - Requires Treatment

Prior to land disposal, this waste must be treated to the applicable standards set forth in 40 CFR Part 268.32, RCRA Section 3004(d), or in accordance with specific state requirements.

#### (B) Restricted Waste - Subject to Variance

This waste is subject to a national capacity variance, a treatability variance, or a case-by-case extension and, therefore, does not require treatment prior to land disposal. Enter the effective date of prohibition in column provided above.

### (C) Restricted Waste - Can be Land Disposed

I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through other knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268,32 or RCRA section 3004(d).

#### (D) Unrestricted Waste Certification

I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or through other knowledge of the waste to support this certification that the waste is not restricted as specified in 40 CFR 268, subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004(d).

I certify under penalty of law that the information submit	ted herein is true, accurate and complete. I am aware that
there are significant penalties for submitting false certifi	cation, including the possibility of fine and imprisonment.
